## **Explanations**

1. The data contained in the publication is for the year 2007-08 (as on 30.09.2007).
2. The data is provisional subject to revision after the confirmation by the States/UTs.
3. Four States and two UTs viz. Assam, Jharkhand, Mizoram, J&K, Dadra & Nagar Haveli and Lakshadweep did not supply the data. Up to elementary stage, the data in respect of these States/UTs have been taken from DISE and for secondary and senior secondary stages, their last year data i.e. 2006-07 has been repeated.
4. The State of Orissa did not supply the data for secondary and senior secondary stages. Its last year data for secondary and senior secondary stages has been repeated.
5. Many States have not shown Pre-Primary schools separately, they are attached with the Primary Schools.
6. The information regarding ITIs has been taken from the Directorate of Employment and Training, Ministry of Labour. Since, that office could not provide enrolment in ITIs/ITCs, intake capacity in ITIs/ITCs has been given.
7. The population as on 31<sup>st</sup> March 2007 has been estimated on the basis of the projections made by the Office of the Registrar General of India.
8. The information regarding the examination results has been collected from the respective Boards of Examination.
